BRANDING

Strategic Brand Building and Integrated Growth Solutions

NAMING

The Imigrantes Gas Station has its name closely related to Italian immigration. The naming project considered this aspect and sought creative Italian expressions that could translate comfort and receptivity.

MIO

To give intimacy to the name, it was used the Italian word for "mine"

CAFÉ

The term "coffee" offers an interpretation for coffee shop in addition to bakery

CONVENIENCE CLUB

An innovative tagline to highlight the fact that this convenience store has a social profile

VISUAL IDENTITY

Mio Café's new brand benefits from a careful choice of colours and elements, inspired by it's market characteristics.

The paletter uses caramel and earthy tones to promote warmth and positive sansations related to flavor aroma. Addionally, Mio's typography gives a casual tone, conveying affordability.

STAIN

The "coffee stain" was applied in a minimalist way to establish a direct connection to the theme.

DROPS

The coffee drops contribute to decorate and give movement to the logo, as well as providing visual continuity.

**MIO,
CAFÉ**

TYPOGRAPHY

The Novecento font was customized to consolidate the perception of a pop environment, affordable services and human profile.

**CLUBE DE

ICONOGRAPHY

PATTERNS

The visual identity Mio Café is an integral part of the experience offered. It manifests itself through a decorative pattern that consolidates.
